Subject: Judging Mondioring by Mr. Pavel Gondek.

Dear all.

Recently there has been a Mondioring trial in Austria that was "judged" by Mr Pavel Gondek.

After information it is clear that Mr. Pavel Gondek from the Czech Republic, is not a FCI Mondioring judge at all and therefore the results of this trial are invalid.

Mr. Pavel Gondek is not authorized to sign in a FCI recognized scorebook for any trial results. Consequently, the result signed for by Mr. Pavel Gondek must be made invalid.

I thank you in advance for your attention.

Yours sincerely,

Frans Jansen
